# Cultural and Family Connection Service FIRST NATIONS ALL GIRLS CAMP

We are pleased to announce that our Cultural and Family Connection Service will be hosting our next First Nations All Girls Camp on Magnetic Island!

After speaking with young people from our most recent camp, many young people asked for the next camp to be hosted on Magnetic Island so continuing on our objective of our camps, we aim to continue creating safe spaces for young girls and women to connect with one another, build a community of culturally safe peer groups whilst also providing an enriching experience for all young girls and women involved.

Throughout the camp the group will learn about the history of the land and the people. Engage in activities that build resilience and confidence. Share stories and meet likeminded individuals.

## What will this look like?

**Duration:** 3 days, 2 nights

**Dates:** Wednesday 18th December - Friday 20th December 2024 (During school holidays)

**Location:** Yunbenun (Magnetic Island) Wulgurukaba country

**Age groups:** 10-17 years of age

**Cost:** \$550.00. The total cost covers, transport, food and drinks, camping gear including tents, blow up mattresses, chairs, sleeping bags if required and customised fishing/camping shirts.

Young people will only be required to bring their clothes, personal hygiene items and a pillow. All other items will be provided by our service and is covered in the total cost.

**Pick up and drop off location:** Pick up and drop off from home address if required.

**Who will be involved:** This is an all-girls camp. Workers and volunteers will consist of a female only working group of different ages. All workers and volunteers will be required to hold a valid BlueCard which is in line with our organisation requirements.

**Scan QR code, click here or contact our team to register for our December school holiday camp**
